

COMMUNITY SMALL GRANTS POLICY

I. Purpose

The purpose of this policy is to address two issues:

- Currently Pensacola Sports provides major community grants to qualifying organizations only once a year. This can make it difficult for some organizations to align their program timetables with the grant process.
- Many requests for small community grants come in during the year to the President of Pensacola Sports to support local activities, travel costs, sponsorships and other worthwhile causes that have a short timeline for funding.

II. Guidelines

To make Pensacola Sports community giving program more effective the following guidelines will be followed:

- The Pensacola Sports board of directors will allow the President of Pensacola Sports to write small grant checks up to \$500 with only his/her signature.
- The total amount of small grant checks written by the President of Pensacola Sports will not exceed \$1,500 per calendar quarter.
- The President of Pensacola Sports will have discretion to use the funds to meet community small grant requests with the following requirements:
 - The President of Pensacola Sports must require applicants to complete a Small Community Grant Request Application (attached) for every donation.
 - The President of Pensacola Sports must give a report at each Pensacola Sports board meeting of all requests granted and denied since the previous board meeting, including providing copies of all grant applications.
- This policy will be renewed on an annual basis and either be reaffirmed, modified or canceled, based on the discretion of the Pensacola Sports Board of Directors.
- The Grants Committee will take into consideration the amount given under this policy when setting the total grant amount for the year.
